SHOWER: A quick shower just before your massage treatment is relaxing and washes off any salts, minerals or chemicals that could clog pores when mixed with oils or other treatment products.

TREATMENT ATTIRE: Guests will be provided with disposable undergarments. You are required to wear this for your comfort throughout the services. Our therapists will always use draping techniques to respect your privacy. At no time during the treatment will you be exposed, except in certain Ayurvedic treatment.

COMMUNICATE: Prior to the start of your service, tell your therapist the areas you would like to focus on, and any areas to be avoided. During your service, let the therapist know if you feel any discomfort. Communication is the key to getting what you want out of your Heavenly Spa by westin experience. Keep in mind that all bodywork is similar to exercise in that, lactic acid and other toxins are released from the muscles.

LET GO: Close your eyes and allow your mind to be free. Breathe deeply and let the tension slip away with each breath. Remember this time is for you.
